

Guide for Weather-Related Closures and Schedule Changes

Keeping students safe is our priority, so FFCS may implement a late start or cancel school if bad weather makes driving hazardous. Our staff and students live throughout Clark County, which means road conditions vary widely depending on topography and elevation. For this reason FFCS follows the Battle Ground School District closure procedure, to the extent that if any part of BGSD closes or schedules a delay, Firm Foundation follows suit.

Regardless of FFCS' schedule, please use your discretion regarding your child's safety; any weather-related absence or tardy will be excused if reported to the school by a parent or guardian.
