

Welcome to Firm Foundation Christian School!

Dear Parents:

We are very blessed to be a thriving Christian school in North Clark County serving families and students from pre-school age through high school graduation since 1995. We regularly commit ourselves to focus on high quality academics and Christ-like character. Thank you for entrusting your child into our care as we partner together in your child's educational experience. We desire a well-balanced education: academically, socially, spiritually, physically and emotionally for each and every child.

Registration forms for new students need to be in hard-copy, using the paper packet method. Forms will be available February 1, 2017 and can be found at www.ffcs.org or in either office at Firm Foundation Christian School. Open enrollment for new families begins on March 1, 2017, and we encourage you to check out our Lasting Legacy Program.

Your children are a gift from the Lord. We want to serve Him first and you as the parents of the children under our care. Please continue your prayers for our students, staff, school and families. God has created each child unique and special and we desire to meet each students' needs in a safe and loving environment.

May this registration process be a heart decision for you as parents. Your child will be cared for and loved in this academic environment that emphasizes a Bible-based worldview.
