

The Concurrent Credit Program at Northwest Nazarene University is a partnership between NNU and your high school which offers college credit while still enrolled in high school. Through the program, you will receive college-level, quality education from NNU-approved high school instructors without leaving your high school building. You will gain experience as a college student and receive college credit for your coursework.

Tuition: \$115.00 per credit

2018-19 Concurrent Credit Course Offerings at Firm Foundation

Dept. & No.	Course Title	# Credits	Instructor	Tuition	Session
ENGL1020	English Composition	3	Dori Millay	\$345	Year-long
ENGL1094	Literature: Short Fiction	3	Dori Millay	\$345	Year-long
MATH1300	College Algebra	3	Angela Mueller	\$345	Fall
MATH1400	Trigonometry	3	Angela Mueller	\$345	Spring
MATH2510	Calculus I	4	Angela Mueller	\$460	Year-long

Registration

Students enrolled in a concurrent credit course will have the opportunity to register after classes begin. Registration forms will be available in the above classes, or register online at highschool.nnu.edu/concurrent-credit.

Tuition

- Full tuition (if not using Placeholder option) is due at time of registration and may be made by cash or check. Credit/debit card payments must be made online, and student social security number is required.
- Placeholder fees cannot be paid online. No tuition refunds are given for concurrent credit courses after enrollment.

For more information, see Student Guide (available from your instructor, counselor, the NNU concurrent credit office or website):

- Registration procedures and policies
- Tuition and payment policies (No monthly payment plans available)
- Dropping a course
- Grading and transcripts
- How to transfer credits to the college or university you plan to attend
- NNU accreditation information

Concurrent Credit Website and Online Registration: highschool.nnu.edu/concurrent-credit

(social security number is required to pay online with a credit card)

Transcript Requests: nnu.edu/transcripts (there is a nominal fee for this service)

If you have questions, please contact: Concurrent Credit Office concurrent@nnu.edu / 208-467-8373

Course Descriptions

ENGL1020. English Composition (3 credits)

A course intended to develop in students' college-level writing skills and stimulate them to think critically, express themselves clearly, and develop an appreciation for the medium of language through a variety of writing experiences. For the course to count for General Education requirements, a student must earn a grade of C- or better. **Prerequisite:** CCP students must be seniors with a cum B (3.0) gpa average.

ENGL1094. Literature: Short Fiction (3 credits)

Short fiction introduces students to the study of literature at the university level through the medium of the short story, covering stories drawn primarily from the United States and Europe, from 1800 to the present. For the course to count for NNU General Education requirements, the student must earn a grade of C or better.

MATH1300. College Algebra (3 credits)

Topics include polynomial arithmetic, synthetic division, zeroes of polynomials, systems of linear equations, matrices and matrix multiplication. **Prerequisites:** ACT score of 23 or instructor's permission

MATH1400. Trigonometry (3 credits)

Topics include the study of the trigonometric functions, plane trigonometry, and analytic trigonometry. **Prerequisites:** MATH1300 (a grade of C or better), an ACT score of 26, or instructor's permission.

MATH2510. Calculus I (4 credits)

Limits, derivatives, integration and applications of the derivative, applications of integrals, integration techniques, logarithmic, exponential, trig and inverse trig functions. **Prerequisites:** MATH1400 (a grade of C or better), an ACT score of 28, or Instructor's permission.
