* College Credit Option Available

CREDIT REQUIREMENTS FOR GRADUATION

To graduate and earn a diploma from Firm Foundation Christian High School, a student must complete a four-year program earning 25.5 credits. Any course that is failed must be recovered to receive credit. FFCHS can help develop an individualized program of study for students who do not plan to pursue a standard college prep track. Program adjustments can be made for students pursuing Running Start, Cascadia Tech Academy, etc. Please set up an Appointment with the Administration if interested in these options.

Courses taken prior to 9th grade will only be accepted if the courses were taken at a high school level for credit and the Administration approves the credit. Students must receive prior approval from the Administration in order to receive high school credit for off-campus instructional hours. Students transferring to FFCHS from another high school must recover any required courses missing from their transcript except Bible. A transcript review is part of the transfer admissions process.

SUBJECT REQUIREMENTS FOR GRADUATION

Bible – Four (4) credits of Bible are required. Students who transfer to FFCHS are not required to fulfill credit recovery for bible credits that were missed.

English – Four (4) credits of English are required.

Mathematics – Three (3) credits of college preparatory mathematics are required including Algebra 1, Geometry, and Algebra II. Other math courses offered are Pre-Calculus and Calculus. Pre-Algebra does not meet this requirement. Four (4) credits of mathematics are recommended.

Science – Three (3) credits of science are required including 2 lab sciences, Biology and Chemistry. Four (4) credits of science are recommended.

Social Studies – Four (4) credits of social sciences are required including Washington State History (0.5 credit), American Government (0.5 credit), World History/World Geography (1 credit), U.S. History (1 credit) and Contemporary World Issues (1 credit).

World Languages – Two (2) credits of the same language are required. World language is required of ALL ninth and tenth grade students in attendance at FFCHS.

Health - One half (0.5) credit of health is required.

Physical Education - One and one half (1.5) credits of physical education are required. Students are permitted to submit a PE/Sport Waiver for up to 1 credit only during their high school years.

Visual or Performing Arts – Two (2) credits of art are required. Students are permitted to acquire .5 credits of Visual/Performing Arts by participating in the Spring Theater production. Actors and backstage support qualify to acquire the credit.

Occupational Education – One (1) credit of occupational education is required.

Technology/Computers - One half (.05) credit of computer technology is required. The elective class designated "Computer Technology" fulfills this requirement.

Electives - The electives credits are included in the courses listed above. Transfer students may need additional classes to fulfill the 25.5 credits required by FFCHS for their high school diploma.
