**Registration and payment for Fall and Year-Long classes need to meet the fall deadline; Registration and payment may be made in the fall or spring for Spring-Only courses.*

Registration Deadline for Fall & Year-Long Courses: Nov. 17, 2023

Registration Deadline for Spring-Only Courses: Mar. 15, 2024

REGISTRATION INSTRUCTIONS

Students must complete both steps to be enrolled in NNU’s CC course(s):

1. Student completes NNU online registration form* for NNU CC course(s) at nnu.edu/concurrentcredit.
 - a. Student should use full legal name & primary email address that he/she checks regularly.
 - b. All registration/enrollment correspondence will be sent via email.
2. Student submits payment for course(s); If payment is not made, student will be dropped from the course.

*NNU CC students do not have a portal so will not use a username or password to register for courses; they just need to complete the online registration form and make payment.

Instructors are encouraged to check their NNU class lists via the portal approximately a week after students register to ensure students are on their list. Because students are manually enrolled by NNU’s CCP team, it can take several days between when a student completes registration and when they show up on the class list.
